Storage Facility - We are now down to THREE storage units (down from around 20) which we will continue to maintain. Much of the items in storage have been given to organizations helping veterans. An Oak Hammock transfer / workday will take place October 24 at 11:30. The **YARD SALE** will take place October 31 starting at 6:00.

Our MCL GatorDet 990 has donated a U.S. flag to the First United Methodist Church (where we meet). There will be a flag raising ceremony but the date has not yet been determined. Watch for this date on the Detachment website and participate if you can. In addition, our Detachment is purchasing a new **ceremonial bugle** which will be able to play several service function tunes. This will replace the one Dick Lester has worn out due to its extensive use.

Stand Down 2015 on September 11 was a success. We pledged \$1500 and Hitchcock's matched this so we provided a great deal of nutritious food to the homeless veterans. Martin Luther King Center at Waldo Road behind Citizens Field 7:30-2:00 (thank you to our volunteers).

The **MC Birthday Ball** is November 14. Tickets and hotel reservations are available on our website. The hotel this year is the Best Western Gateway Grand at I-75 / 39th Avenue. \$35 for prime rib, chicken bruschetta, seared Mahi-Mahi OR vegetarian. Social starts at 5:00, ceremonies at 6:00, and dinner at 6:45. This will be the 240th Marine Corps birthday and the 50th anniversary of the start of Viet Nam combat operations. **Make your plans to attend now—seating is selling out fast this year.**

Commandant's Message:

WE STILL NEED members to get involved with our activities and services. In particular, see the open positions on page 3. I encourage our members to do what they can to help the Detachment fulfill its obligations and to be more active. And a big thank you to those members who have been helping.

If you perform any **SERVICES** on behalf of the Detachment, please let our Sr. Vice Commandant know so that we can keep up our record of service hours.

If you have any changes in your **CONTACT INFORMATION**, please let our Adjutant know so we can maintain our membership database.

Your Commandant, Semper Fi

MCL Department of Florida Information

Fall Conference 2015 29 October - 1 November 2015 at Palm Beach Gardens, Florida.

There are currently 50 Detachments. Our District 2 includes three Detachments: Gator Detachment 990, Tri-County Detachment 1086, and St. Maj. Briggs Detachment 1018.

The Department has 672 delinquent members (although some of these may be from reporting problems as our Detachment has experienced). The Junior Vice Commandant is working on preparing Recruitment Retention and Mentoring Program Guidelines.

There are now 46 Detachments with a Boy Scout / Eagle Scout program. So far this year, 402 certificates have been presented.

Lou Calleja (Jr. Past Commandant) is to be Director of the Leadership School. This Fall's Leadership class had 110 students (80% new students).

Scholarship Fund 2014 had \$1,700 and 32 applicants. The Fund for 2015 was below what was expected.

Detachments have given \$72,000 to the Injured Warrior Fund of Florida. So far, \$58,000 of that has been paid out.

Florida drivers licenses will now spell out the word Veteran on the license instead of just having the letter V. These licenses must be requested and a DD-214 is required.

MCL National Information

The NEW national website is up, but still under construction.

NEW Officers were elected at the National Convention held 9-15 August 2015 in Scottsdale Plaza Resort, Scottsdale AZ and are listed in the sidebar.

The NEW national Veterans ID Card law (P.L. 114-31) passed both houses of Congress and was signed by President Obama July 20. It is intended to be a more convenient form of proof of service than having to carry around the DD-214 and will not be used to obtain any VA services. To receive this ID Card you have to provide a DD-214 or other military service record and be honorably discharged. There will be a fee. As yet, they are not ready for distribution. The MCL will need to determine if the new ID Card will be an acceptable alternative to the DD-214 for membership. Our Gator Detachment Officers have decided to continue requiring the DD-214.

Camp Lejeune water contamination health benefits are available if you served there between 1 August 1953 - 31 December 1987. This includes service members and their families. A number of medical conditions qualify. If you want more information or help with qualifying, you can contact the VA or the Alachua County Office of Veterans Services (352-264-6740).

MCL Mission Statement

Members of the Marine Corps League join together in camaraderie and fellowship for the purpose of preserving the traditions and promoting the interests of the United States Marine Corps.

Banding together those who are now serving in the United States Marine Corps and those who have been honorably discharged from that service that they may effectively promote the ideals of American freedom and democracy.

Voluntarily aiding and rendering assistance to all Marines and former Marines and to their widows and orphans; and to perpetuate the history of the United States Marine Corps and by fitting acts to observe the anniversaries of historical occasions of particular interest to Marines.

Founded in 1923 by Lieutenant General John A. Lejeune (13th Commandant, 1920-29), the Marine Corps League is the only federally chartered (1937) Marine Corps related veterans organization in the United States.
