WE STILL NEED members to get involved with our activities and services. In particular, see the open positions on page 3. I encourage our members to do what they can to help the Detachment fulfill its obligations and to be more active. And a big thank you to those members who have been helping.

If you perform any **SERVICES** on behalf of the Detachment, please let our Sr. Vice Commandant know so that we can keep up our record of service hours.

MCL Mission Statement

Members of the Marine Corps League join together in camaraderie and fellowship for the purpose of preserving the traditions and promoting the interests of the United States Marine Corps.

Banding together those who are now serving in the United States Marine Corps and those who have been honorably discharged from that service that they may effectively promote the ideals of American freedom and democracy.

Voluntarily aiding and rendering assistance to all Marines and former Marines and to their widows and orphans; and to perpetuate the history of the United States Marine Corps and by fitting acts to observe the anniversaries of historical occasions of particular interest to Marines.

Founded in 1923 by Lieutenant General John A. Lejeune (13th Commandant, 1920-29), the Marine Corps League is the only federally chartered (1937) Marine Corps related veterans organization in the United States.
